## January 2011 Tax Change

As a result of the changes announced in the recent Federal and Provincial budgets (as applicable), you may notice a change in the amount of withholding tax on your January 2011 payment.

If you have any questions regarding the new tax amounts, please contact the Canada Revenue Agency (CRA) general inquiry line at 1 800 959 8281.

The CRA can also provide you with information on how to obtain the applicable federal and provincial TD1 forms (Personal Tax Credits Return). Credits determine the amount of your tax deductions. It is not necessary to re-file the TD1 form every year. However, if you would like to update your federal and provincial credit amounts, complete the applicable forms and forward to us at:
