

RBC Dexia Expands Market Products and Services Team with Appointment of Paul Luff

London, 1st, September 2011 – RBC Dexia Investor Services today announced the expansion of its Market Products and Services team with the appointment of Paul Luff as Director, Portfolio Solutions. Reporting to Blair McPherson, Head of Portfolio Solutions, he will work with key clients to tailor bespoke offerings that leverage the breadth of portfolio solutions available from the company.

RBC Dexia's Market Products and Services team provides a range of solutions to clients including foreign exchange, securities lending, credit and securities finance and cash management.

Paul has nearly 30 years' experience in foreign exchange trading, sales and client relationship roles. He joins RBC Dexia from UBS Investment Bank, where he was most recently a senior relationship manager in its FX business. Paul is also on the governing committee of the ACI UK, the FX industry's professional body.

Blair McPherson commented: "RBC Dexia is recognised for providing outstanding service, and Paul will focus on strengthening our relationships with new and existing clients. As our suite of market products continues to develop, Paul will play a key role in ensuring clients receive a tailored service that meets their needs."

RBC Dexia came out on top of the latest R&M Consultants Global Custody Survey and also excelled in a number of other recent awards, being named 2010 European Custodian of the Year by Funds Europe magazine; #1 global custodian overall for the Americas and EMEA in Global Investor's 2010 Global Custody Survey. Also being named 'European Transfer Agent of the Year' and 'Fund Administrator of the Year: Luxembourg' at the 2010 ICFA European Awards.

About RBC Dexia Investor Services

RBC Dexia Investor Services offers a complete range of investor services to institutions worldwide. Our unique offshore and onshore solutions, combined with the expertise of our 5,500 professionals in 15 markets, help clients grow their business and sustain enhanced performance through efficiency improvements and robust risk management practices.

Equally owned by RBC and Dexia, the company ranks among the world's top 10 global custodians with USD 3.0 trillion in client assets under administration.
